Course Attendance Verification

We have expanded your ability to verify who has attended a continuing education course online. This is provided at the CE Provider, Courses, and Failure to Comply Search Page **http://insurance.ky.gov/kentucky/CE/providers.aspx**

Enter the provider number and select the course name. A viewable list will be displayed of the attendees.

or

If you do not know the provider number, select the appropriate list under the continuing education list (i.e. "View Active Company Providers", "View Active Independent Providers".) Select the provider number and select the course name. A viewable list will be displayed of the attendees.
